

V. SATTUI WINERY TOUR OF THE COUNTRYSIDE OF TUSCANY AND UMBRIA 2026

FRIDAY, MAY 15TH – SATURDAY, MAY 23RD, 2026

CASTLE OWNER'S TOUR

For eight nights, you can have the exclusive opportunity to be escorted through the most magical parts of **Tuscany** and **Umbria** by V. Sattui's extended Italian family and **Castle delle Serre** owners, the Gangale Family and team. We invite you to join in this intimate collaboration and cultural experience with a family of experts as they share their most influential perspectives of the food, wine, and history of their native country of Italy. With over forty years of experience, we guarantee you'll savor the most authentic meals and local experiences, immersing yourself in la dolce vita as only a true Italian can.

Day 1 (5/15) Friday - Chianti for Vineyard Tours and Lunch (Departure 9:30 am)

Our hosts will meet us in Florence in the lobby of the Hotel River at 9:00am. At 9:30 am our group will depart on board our deluxe air-conditioned private motor coach and head south exploring some of the hidden treasures of the enchanting Chianti countryside. We will drive through Chianti's rugged hills of unspoiled forests, beautiful vineyards, castles, stone churches, monasteries, and farmhouses to visit the quaint village of **Greve and Radda** in Chianti. Next, we'll be visiting the top Super Tuscan winery to the south of us. At the winery we will have a private vineyard and cellar tour followed by lunch and a tasting on the premises. Castello delle Serre will be our home for the next eight nights. A welcome dinner and music will complete the first day of our tour.

Day 2 (5/16) Saturday - San Gimignano for Wine Tasting and Gelato (Departure 8:30 am)

Today we will traverse the **Chianti** region on our way to **San Gimignano**, "Delle Torri" (of the beautiful towers). This is one of the best-preserved medieval towns in Tuscany, where 16 of the 70 original towers of **San Gimignano** remain today. The towers were originally used to watch for invading enemies and later became a symbol of power for many of the richest families. If you choose you may want to climb up one of them to get a sense of history and to enjoy the beautiful view. We will then taste some of the best local Vernaccia (white wine) with a light lunch and get our first taste of the sweet life with the best gelato in Tuscany. We'll return in time for a Castle tour explaining the restoration of this Historic Registry Building before enjoying a local dinner.

Day 3 (5/17) Sunday – Siena for Rich History and Lunch (Departure 8:30 am)

After enjoying our morning espresso, we will then depart with a local guide for the medieval city of **Siena**, most famous for its horse race, the Palio. Our tour guide will lead us through this charming city unspoiled by time. We will visit the Medici town hall, the magnificent Piazza del Campo (town square), the spectacular sculpture-studded Duomo (church) and its museum with works by Pinturicchio, Pisano and Michelangelo, and visit the most important parts of the city. We will then have lunch in one of the most authentic local restaurants of Siena, eating as the contra's (rivaling neighborhood factions) of Siena do just before their traditional Palio horse race. After lunch we will be on our own to shop and explore the city of Siena. We will return to Castello delle Serre for a casual dinner with wine.

Day 4 (5/18) Monday – Montalcino and Pienza for Wine & Cheese (Departure 8:30 am)

We will travel to "Picture Perfect Pienza". This little gem of a city was created by Aeneas Silvius Piccolomini, who became Pope Pius II. He transformed the farming village where he was born into his personal renaissance utopia. We will have lunch at the local Pecorino di Pienza Cheese producer before proceeding to the fortified town of Montalcino for a tasting of the famous Brunello di Montalcino wine ("the king of Italian reds"). Montalcino is situated on the "little mountain" with a 14th century castle. It was a retreat for the Siennese when the Emperor Charles V captured their city. We will enjoy a fine dinner at a local restaurant on the way back to the Castello.

Day 5 (5/19) Tuesday - Montepulciano for Wine Tasting and Shopping (Departure 8:30 am)

Today we will tour the unknown countryside of Tuscany. We'll explore the byroads and quaint villages not in the tourist books; the places that are still unspoiled. Our first stop will be a new facility for one of Montepulciano's most historic wine producers with a unique sensory experience. You will enhance your wine knowledge and sharpen your sensory skills in a fun, interactive wine education and lunch. After this wine tasting of *Vino Nobile*, we will venture in the beautiful town of **Montepulciano** to visit the historic center including one of the most ancient wine caves of Italy. This will be followed by time to shop. Later we'll return to Castello delle Serre for a casual pizza night with the Castello family!

Day 6 (5/20) Wednesday - Visit Deruta for Ceramics and Sagrantino Winery (Departure 8:30 am)

In the morning, we will travel to Deruta, the center of Italian maiolica ware (pottery) since the 14th century. We will observe “Ceramisti” modeling the clay in a pottery factory where we can purchase the wares and have them shipped to our homes. Next, we’ll be visiting Sagrantino Winery. Sagrantino is the Italian grape of the Umbria region. Known for its high tannic levels, this fruit produces wines that are inky purple with an almost-black center. The bouquet is one of dark, brooding

red fruits with hints of plum, cinnamon and earth. This wine has a relatively small production and is not widely known outside Italy! Then it is time for another delicious local dinner before we retire back to the Castello for the night.

Day 7 (5/21) Thursday - Assisi for Piazzas, Basilicas, Temples and Shopping (Departure 8:30 am)

After breakfast, we depart for Assisi. We will tour with an authorized local guide this beautiful medieval town, with lovely views and fountain-splashed piazzas. We will visit the Basilica di San Francesco with its beautiful frescoes, the Temple of Minerva, the Basilica Santa Chiara and stroll through the streets where St. Francis walked. We will shop at our leisure with a light lunch. We will return to the Castello for another great local dinner night.

Day 8 (5/22) Friday - Truffle Hunting with lunch and wine tasting at a local Agriturismo

For our final day, we will show you the Tuscan countryside with a once in a lifetime experience, truffle hunting! Arrive at a local agriturismo farm and first learn about the wine produced here. Afterwards, we will learn all about truffles. Following an informative lesson, venture out into the woods with the award winning truffle dogs to find some for yourself!

Once our hunt has concluded, we will then return to the kitchen to enjoy lunch made with the very same truffles we found along with the farm’s homemade wine.

We will return on the early side to pack for our departure early the next morning. Dinner to be provided at the Castello.

Day 9 (5/23) Saturday – Florence/Departure (Departure 9:30 am)

Early departure from Castello delle Serre. The first drop-off will be at the train station around 10:30 am, if needed. The second drop off will follow immediately at the **Hotel River in Florence**.
